**Show Notes by Randy Maugans, Sue Patterson and Mark Jenkins**

**jug·ger·naut** (jŭg'ər-nôut') *n.* 1. Something, such as a belief or an institution, that elicits blind and destructive devotion or to which people are ruthlessly sacrificed.

*“Now the brother shall betray the brother to death, and the father the son; and children shall rise up against their parents, and shall cause them to be put to death”-Mark 13:12*

### ***The Mechanism of Persecution:***

**Rev 17:12** And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

**Rev 17:13** **These have one mind**, and shall **give their power and strength unto the beast**.

**Rev 17:14** These shall **make war with the Lamb**, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him *are* called, and chosen, and faithful.

Ac 22:8 And I answered, Who art thou, Lord? And he said unto me, I am Jesus of Nazareth, **whom thou persecutest.**

***A look at Brigitte Gabriel and her American Congress for Truth and others involved.***

**{Audio Clip:}**

**From the Bill Moyers program 10/5/2007**

**BRIGITTE GABRIEL:** Here's what we're doing. We're taking cities and state and organizing them into chapters. We are appointing people **to monitor the media in your local community.** Your **local newspaper** that is anti-Israel, anti-America.

**BILL MOYERS:** Gabriel is a Maronite **Christian (catholic)** from Lebanon. She called on the CUFI delegates to keep their eyes open for the enemy within.

**BRIGITTE GABRIEL:** Another thing you can do is monitor universities.

Monitor what the professor is saying about the Middle East policy and our foreign policy. The students cannot challenge their professors because they get bad grades. But you can. It's your job and your civic duty to do so.

Another thing you can do — another thing you can do — if you know there is a suspicious mosque in

your community or suspicious Islamic organization, find out who owns the deed to that mosque. Is it some Saudi sheiks or Islamic sheiks outside of America? Write their names down. Come home. Call your local FBI office. Turn the names to them. This is how they can start monitoring them. Israel's enemies are our enemies.

### **Vision: The Establishment of Grassroots ACT Activists Nationwide**

Our activists network to aggressively promote and implement educational programs. These programs teach and enable citizen participation in the defense of America on the local, city, state, and national level.

ACT members are trained to be vigilant and respond quickly to anti-American and anti-Israel media bias and social, political and religious behavior.

ACT civic activism nationwide ensures elected officials remain vigilant in their duties in defending and protecting the United States and its only democratic ally in the Middle East, the State of Israel.

ACT will partner with like-minded organizations to coordinate effective public relations campaigns to speak against **media bias and religious bigotry wherever it exists:**

- In the western media – television, radio, and print media
- Among the intellectual elite
- On American college campuses
- Churches, Synagogues and Mosques
- On the local, state, and national level
- Worldwide

We will accomplish our goals through organizational efforts, media presentations, documentaries, publications and speaking engagements in the U.S. and throughout the world.

### ***Implementation:***

- Noahide Laws?

- **Executive Orders and New Laws:**

H.R. 1955: Violent Radicalization and Homegrown Terrorism Prevention Act of 2007 passed the House 404-6 (with 22 absent/not voting). The bill provides for prevention of:

“**IDEOLOGICALLY BASED VIOLENCE**- The term ‘ideologically based violence’ means

**“the use, planned use, or threatened use of force or violence by a group or individual to promote the group or individual’s political, religious, or social beliefs.”**

and cites this finding:

**” The Internet has aided in facilitating violent radicalization, ideologically based violence, and the homegrown terrorism process in the United States by providing access to broad and constant streams of terrorist-related propaganda to United States citizens.”**

## **Brigitte Gabriel “Official” Bio**

Brigitte Gabriel was born in 1965 in Lebanon to a Maronite Christian family. Gabriel has said that during the [Lebanese Civil War](#) Muslim militants launched an assault on a Lebanese military base near Gabriel's house and bombed her home, collapsing it. Just ten years old at the time, Brigitte was severely injured and spent 2 1/2 months in a hospital recovering.

Gabriel says that she and her parents were forced to live in a 8x10 [bomb shelter](#) underground for several years with no heat, running water and little food. To get water she had to crawl underground to a spring in a ditch. Before they left they said prayers, because they did not know if they would come back alive.

Later, in 1978, a man warned Brigitte's family of *an impending attack on Christians by Islamic militias*. She claims her life was saved that night when Israelis invaded Lebanon in [Operation Litani](#). Later, her mother became ill and was taken to an Israeli hospital where Brigitte noted the humanity of the Israelis in contrast to the propaganda she had viewed as a child. [3]

In 1982 Ms. Gabriel's mother became seriously wounded, Israel was the only place to go for medical attention. For her mother, the trip to a hospital in Israel was a life-saving experience. For Brigitte it was a life changing experience. She saw the Israelis demonstrate respect, humanity, compassion and generosity that she didn't know existed beyond her immediate family. She realized she was fed nothing but a fabricated lie by her government about the Jews and the Israeli people. She had to return to Lebanon to take care of her elderly parents but vowed that one day she would return to Israel. Brigitte kept that promise and more. She returned to Israel two years later and started working in Jerusalem as a journalist.

Rising quickly to the position of news anchor for *World News* an evening Arabic news broadcast for Middle East Television seen throughout Israel, Egypt, Syria, Jordan, Cyprus and Lebanon, she covered

the Israeli security zone in Lebanon and the Palestinian uprising in the West Bank. Her work is of international scope having brought her in contact with world figures such as Margaret Thatcher, George H. Bush, Queen Nour El Hussein, Itzhak Rabin and Shimon Peres.

After marrying an American war correspondent in Jerusalem, Ms. Gabriel relocated to the United States and started a television production and advertising company. Her clients include ABC, NBC, CBS, Fox News, CNN, Discovery, TLC, History Channel, *Oprah Winfrey Show*, *20/20*, *World News Tonight* and *Good Morning America* to name a few.

Following the September 11th attack Ms. Gabriel founded **American Congress for Truth**, a non-profit organization dedicated to inform, inspire and motivate Americans to take action against terrorism and the threat radical Islamic fundamentalists pose to America, Israel and Western civilization. Her inside information is enlightening for unsuspecting Western-thinking audiences. Her lectures inspire and empower audiences into taking action in order to protect America and support Israel. She has appeared on news and information TV and radio shows and has given hundreds of lectures nationally and internationally. Her views are seen as a pertinent warning to the West. She speaks **Arabic, French, English and Hebrew**.

She is featured in the documentary: [Author: Because They Hate: A Survivor of Islamic Terror Warns America \(Hardcover\) by Brigitte Gabriel \(Author\)](#)

From Newshounds.us article-**FOX News Guest: We Must Stay in Iraq So Israel Can Bomb Iran- Reported by Marie Therese - May 23, 2007**

**Brigitte Gabriel**, radical Catholic activist and noted Arab-hater, to FOX News host Neil Cavuto, May 22, 2007: "We are coming up on an election. They [the Iranians] want to insure that the Democrats are gonna vote out - our troops out of Iraq for two reasons. First, in order to make it possible for Iran to control the region and second, because they know as long as we have our troops in Iraq, we will enable Israel to use the Iraqi air space in order for Israel to blow up or attack the Iranian nuclear plants in Iran. The only way Israel will be able to get to Iran is via the Iraqi air space. And if we withdraw out of there, it will make it much more possible for Israel to launch that attack."

Lebanese-American [Brigitte Gabriel](#), a **Maronite Roman Catholic**, is a good friend of the radical end-time preacher [John Hagee](#), another of Cavuto's string of radical Christian guests. Gabriel despises the Arabic world and admires the Israelis, whom she credits with saving her life. She is married to some (undisclosed) American war correspondent and upon moving to America started an (unnamed) television services company. (I'm still searching for the names of the husband and the company. There seems to be an effort to cloak them in secrecy, which always makes me suspicious. Any help from our astute, educated readers would be appreciated!)

Career

The Official Website of [Hasbara Fellowships](#), IsraelActivism.com, lists Gabriel as one of its **Hasbara Fellowship** speakers, and arranges speaking engagements for those interested in contacting her. [2]

[The Israeli Foreign Affairs Ministry \[3\], the diplomatic arm of the Government of Israel. The Ministry was an original co-sponsor of the Hasbara Fellowships activities of Aish HaTorah.](#)

Gabriel spoke as part of a lecture series organized by [Duke University](#)'s Jewish community to provide counter-programming after the fourth Palestinian Solidarity Movement student conference was held there in October 2004. She angered many members of the crowd when **she referred to Arabs as**

"barbarians" and Duke's Freeman Center for Jewish Life later apologized for her comments.[3]

## Quotes

"The difference, my friends, between Israel and the Arab world is the difference between civilization and barbarism. It's the difference between good and evil [applause].... this is what we're witnessing in the Arabic world, **They have no SOUL !**, they are dead set on killing and destruction. And in the name of something they call "Allah" which is very different from the God we believe....[applause] because our God is the God of love." - Bridgette Gabriel, CUFJ 2007 [4]

## The Eagles gathered in Brussels to oppose Islamofascism

CounterJihad Brussels on October 18th and 19th in the Capital of Eurabia was truly a gathering of eagles including many anti-Islamist scholars, experts, activists and personal friends. Among them were Bat Yeor, author of [Eurabia](#), Robert Spencer of JihadWatch, Nidra Poller, American ex-pat and Pajamas Media correspondent in Paris, Dr.

Andy Bostom, author of *The Legacy of Islamic Antisemitism*, Dr. Arieh Eldad, Israeli Knesset member. Pamela Geller of the [blog Atlas shrugs](#) was there and reported on the activities in the program. The significance of this event in the heart of Eurabia is that there was a gathering of concerned Europeans who want to vanquish islamofascism and shariah law from the continent. We wish all of our allies and friends in the battle in Eurabia success in this important endeavor. We await the conference final press release and report.

## The Sleeping Giant Post

Jos 15:8 And the border went up by the valley of the son of Hinnom unto the south side of the Jebusite; the same is Jerusalem: and the border went up to the top of the mountain that lieth before the valley of Hinnom westward, which is at the end of the valley of the giants northward:

07497. apr rapha', raw-faw' -or raphah {raw-faw'}; from 7495 in the sense of invigorating; a giant:-- giant, **Rapha, Rephaim**(-s). See also 1051.

**By Brigitte Gabriel**

- On Monday we reported the story of the Washington D.C. Imam who wants to replace America's constitutional government with the “Islamic State of North America” by 2050.
- In September you read about the Muslim Brotherhood's secret document to undermine America and bring about Islamic law, obtained during an FBI search in 1991.
- Last week we forwarded you the story of the school in Pennsylvania which has scheduled a “mosque visit” to the Foundation for Islamic Education – a field trip arranged by the Council for American-Islamic Relations (CAIR), an unindicted co-conspirator in the Holy Land Foundation terrorism financing trial.

I talk with many of you in my travels, and I know that, like me, you're very concerned – even outraged - about the rising tide of Islamofascism and the many tentacles of Jihad, including Cultural Jihad, that are spreading across America.

**We are coming up on an election year, and there is so much at stake. Islamists working to acquire nuclear bombs; terrorists living amongst us in disguise, many coming across our unsecured southern border; jihadists learning paramilitary tactics in Islamic compounds on our soil; mosques preaching hatred and the overthrow of America; Johnny and Sue learning a whitewashed version of Islam in public schools, adopting Islamic names, and wearing Islamic clothing.**

## **1 The Juggernaut: Scriptural Understanding:**

**Hab. 1:5-17 ¶ Behold ye among the heathen, and regard, and wonder marvellously: for I will work a work in your days, which ye will not believe, though it be told you. 6 For, lo, I raise up the Chaldeans, that bitter and hasty nation, which shall march through the breadth of the land, to possess the dwellingplaces that are not theirs. 9 They shall come all for violence: their faces shall sup up as the east wind, and they shall gather the captivity as the sand. 10 And they shall scoff at the kings, and the princes shall be a scorn unto them: they shall deride every strong hold; for they shall heap dust, and take it. 11 Then shall his mind change, and he shall pass over, and offend, imputing this his power unto his god. 12 ¶ Art thou not from everlasting, O LORD my God, mine Holy One? we shall not die. O LORD, thou hast ordained them for judgment; and, O mighty God, thou hast established them for correction. 13 Thou art of purer eyes than to behold evil, and canst not look on iniquity: wherefore lookest thou upon them that deal treacherously, and holdest thy tongue when the wicked devoureth the man that is more righteous than he? 14 And makest men as the fishes of the sea, as the creeping things, that have no ruler over them? 15 They take up all of them with the angle, they catch them in their net, and gather them in their drag; therefore they rejoice and are glad. 16 Therefore they sacrifice unto their net, and burn incense unto their drag; because by them their portion is fat, and their meat plenteous. 17 Shall they therefore empty their net, and not spare continually to slay the nations?**

**Angle** 2443 *khak-kaw'* probably from 2442; a hook (as adhering):--angle, hook.

**2442** *khaw-kaw'* a primitive root (apparently akin to 2707 through the idea of piercing)...

**Net** 2764 *khay'-rem* from 2763; physical (as shutting in) a net (either literally or figuratively); usually a doomed object; abstr. extermination:--(ac-)curse(-d, -d thing), dedicated thing, things which should have been utterly destroyed, (appointed to) utter destruction, devoted (thing), net.

**2763** ...a primitive root; to seclude; specifically (by a ban) to devote to religious uses (especially destruction); physical and reflexive, to be blunt as to the nose:--make accursed, consecrate, (utterly) destroy, devote, forfeit, have a flat nose, utterly (slay, make away).

**Drag** 4365 *mik-meh'-reth* ...feminine of 4364; a (fisher's) net:--drag, net.

**4364** *mak-mawr'* from 3648 in the sense of blackening by heat; a (hunter's) net (as dark from concealment):--net.

**3648** *kaw-mar'* a primitive root; properly, to intertwine or contract, i.e. (by implication) to shrivel (as

with heat); figuratively, to be deeply affected with passion (love or pity):--be black, be kindled, yearn.

**Jer. 16:14-18** 14 ¶ Therefore, behold, the days come, saith the LORD, that it shall no more be said, The LORD liveth, that brought up the children of Israel out of the land of Egypt; 15 But, The LORD liveth, that brought up the children of Israel from the land of the north, and from all the lands whither he had driven them: and I will bring them again into their land that I gave unto their fathers. 16 Behold, I will send for many fishers, saith the LORD, and they shall fish them; and after will I send for many hunters, and they shall hunt them from every mountain, and from every hill, and out of the holes of the rocks. 17 For mine eyes are upon all their ways: they are not hid from my face, neither is their iniquity hid from mine eyes. 18 And first I will recompense their iniquity and their sin double; because they have defiled my land, they have filled mine inheritance with the carcasses of their detestable and abominable things.

**Re 17:4** And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:

**Re 18:6** Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.

**Amos 4:2** The Lord GOD hath sworn by his holiness, that, lo, the days shall come upon you, that he will take you away with hooks, and your posterity with fishhooks.

**5518** *seer*...from a primitive root meaning to boil up; a pot; also a thorn (as springing up rapidly); by implication, a hook:--caldron, fishhook, pan, ((wash-))pot, thorn.
